

**Independent Assurance Statement**

September 25, 2020

Mr. Miyuki Ishihara  
Representative Director & President  
UACJ Corporation

**1. Purpose**

We, Sustainability Accounting Co., Ltd., have been engaged by UACJ Corporation ("the Company") to provide limited assurance on the UACJ Group in Japan following data during the fiscal year 2019, 402 thousand tons-CO<sub>2</sub> (Scope 1), 227 thousand tons-CO<sub>2</sub> (Scope 2), 14,141TJ of energy consumption, that includes 29TJ of annual electricity from renewable energy sources (collectively, "the Environmental performance data"). The purpose of this process is to express our conclusion on whether the Environmental performance data were calculated in accordance with the Company's standards. The Company's management is responsible for calculating the Environmental performance data. Our responsibility is to independently carry out a limited assurance engagement and to express our assurance conclusion.

**2. Procedures Performed**

We conducted our assurance engagement in accordance with International Standard on Assurance Engagement 3000 (ISAE 3000) and International Standard on Assurance Engagement 3410 (ISAE 3410). The key procedures we carried out included:

- Interviewing the Company's responsible personnel to understand the Company's standards
- Reviewing the Company's standards
- Performing cross-checks on a sample basis and performing a recalculation to determine whether the Environmental performance data were calculated in accordance with the Company's standards.

**3. Conclusion**

Based on the procedures performed, nothing has come to our attention that causes us to believe that the Environmental performance data have not been calculated in all material respects in accordance with the Company's standards.

We have no conflict of interest relationships with the Company.
